# RF 60 CIP TROUSERS

The RF 60 CIP Trousers are lightweight and comfortable insulated trousers with low pack volume and minimal weight. They can be worn as reinforcement under shell trousers or as a top layer over other outerwear. The elastic waistband opens on both sides, and the full-length side zips allow for ventilation and quick dressing—even with shoes on. The fabric absorbs minimal moisture and therefore dries exceptionally quickly.

## FUNCTIONS

- Very low moisture retention
- Quick-drying
- Elasticated waist
- Split waist
- Full length zip on the outside of both legs for quick removal and putting on
- UV/ VIS/IR
