PARKER HV CL2 JACKET

A comfortable wind- and waterproof jacket made of TWP material that, in addition to its weather protection and taped seams, offers high comfort, long durability, and excellent breathability. It can be complemented with the Denver Lining Jacket for year-round use. The fit of the Parker Jacket is optimized for maximum mobility and it has several functional details such as: extended back, high warming collar, detachable hood, microphone holder, and several practical and waterproof pockets.

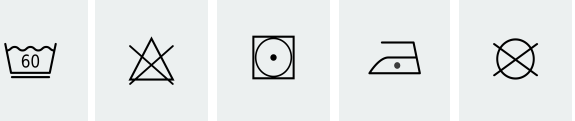

FUNCTIONS

- Detachable and adjustable hood with hidden cords
