

CR FR TROUSERS

Lightweight and comfortable flame-retardant cut-protection trousers made of stretchy material. It is knee-length and has fully separable legs with zippers, making it easy to put on and take off. The cut-protection material covers the entire trousers. Elastic with Velcro adjustment at the waist and a zipper fly. The fibers in the protective fabric can sometimes feel rough on sensitive skin, in which case, wearing a thin garment underneath is recommended.

FUNCTIONS

- Elastic waistband with Velcro adjustment for the best fit.
- Zipper fly.
- Fully separable trouser legs with zippers on the outside.
- Materials are tested according to:
- EN 388 Tailor-made Level 5
