ALARM AMB TROUSERS

These light and flexible trousers are made from windproof and waterproof 3L Gore-Tex Crosstech® laminate with Microgrid backing. The fabric also provides excellent protection against infectious organic fluids from humans as well as animals, as well as shielding the user from chemicals such as petrol, battery acid, fire extinguisher foam, hydraulic oil and chlorine. Two-way side zips add ventilation and ease of use as well as providing easy access to the under-layers. Can be supplemented with Sitka Lining Trousers for winter use.

FUNCTIONS

- Raised rear waistline
- Elasticated waistband and loops for a belt
- Our comfortable braces design with Velcro adjusters
- Thigh pockets and Velcro-fitted flaps
- Flexible elasticated opening for easy access
- Velcro insignia fastening on the left pocket lid
