

CAMP OVERALL

Warm, durable, wind- and waterproof padded overall in 2L Gore-Tex®. Diagonally cut pockets make the Camp particularly suitable for those who work in a harness. Adjustable suspenders on the inside keep the overall in place and prevent it from sliding down and getting in the way. The upper part of the overall is easy to remove when you come indoors. Camp is a winter-lined Climber with cuffs that keep the wrists warm.

FUNCTIONS

- Removable and adjustable hood, can be stored in the collar.
- The hood brim is stabilized to protect the face in wind and rain.
- The collar is extra high at the back to protect the neck and throat.
- The collar is adjustable in width.
- Heavy-duty 2-way front zipper, hidden by double front flaps for extra water resistance.
- Mobile phone holder on both left and right chest.
