

SITKA LINING TROUSERS

The Sitka lining features a high-performance Thermolite® plus lining with superb warming and heat retention properties. The lining has openings in the sides to access the innermost layer of clothing without exposure to cold and wind. For winter use the lining is fastened to the trousers with a squeeze. This Sitka lining is a perfect fit for our Rescue TMB trousers, Barton trousers, Barton reflex trousers, Emergency trousers and Patrol trousers.

FUNCTIONS

- Openings on the lower leg allow ease of access to undo zips.
- Fastens with a zip and with fastenings at the leg ends
- Superb insulating properties
