

GUARD HV CL3 JACKET

Windproof and waterproof TWP jacket with strong two-way zip hidden by double front strips. Pockets and holders specially developed for work in ambulances. Pre-folded sleeves and adjustment at the waist and hem. Can be supplemented with lining for winter use.

FUNCTIONS

- EN ISO 20471 Class 3
- Adjustable collar so the jacket is extra high at the back to protect the neck and throat
- Adjustable hood with rigid screen
- The hood is removable with a zip and can be stored in the collar
- Monophone holder on left and right of the chest
- Side pockets with opening at the top from above and heating pocket on the side
- D-ring inside the side pockets for securing equipment
- Double-zipped inner pockets for A4 documents etc. and internal mobile phone pocket
- The inner pockets are easily accessible without having to open the jacket
- Velcro on chest for a badge. The Velcro is also suitable for attaching a metal plate
- 2 x 50 mm reflective tape on body and sleeves
- Adjustable sleeve end with Velcro
- Extended back
- Attachment to add a warming lining
