

VECTOR FR HALF ZIP

Warming sweater sewn in a flame-resistant material that works equally well as a first layer or second layer. The material has air channels, making the garment lightweight and quick-drying without compromising insulation capability.

FUNCTIONS

- Protective collar
- Short zipper opening with protective inner flap
- Raglan sleeve
- Flatlock seams to prevent chafing
- The material is flame-resistant and dries quickly

FACTS

Article no. 089200105
