GRIZZLY MITTENS

A reliable and warm mitten for long days in snow and cold weather. Made from durable goatskin that provides excellent grip and feel, with a weather-resistant polyamide fabric on the back. This model is perfect for those seeking a warmer glove with a range of smart features that make it easier to stay comfortable when you can't warm up indoors frequently.

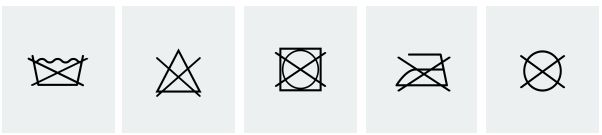

FUNCTIONS

- The lining is easy to remove and replace if it becomes damp or to adjust for varying activity levels and temperatures.
- The long cuff features a snow lock to keep warmth inside the glove.
- A wrist strap reduces the risk of losing the glove if you take it off to handle a phone or equipment.
- A carabiner and grommet provide convenient attachment options.
