

LINER SOCKS 2-PACK

Wool sock that keeps you warm even when damp. The sock is Oeko-Tex Standard 100 certified.

FUNCTIONS

- The wool's fantastic temperature-regulating properties make the sock suitable for year-round use. In cold conditions, it is used as a liner sock under a thicker sock.
- The Lycra throughout the sock provides a compression function in addition to optimal fit and elasticity.
- The heel and toe areas are reinforced with an extra thread of wool yarn to further enhance durability.
