TRADER TROUSERS

Trader Trousers are functional trousers made of tightly woven stretch poplin with an excellent fit. The TP-122 material makes the trousers comfortable and durable, with wind- and water-repellent properties. The trousers have practical storage in the form of bellowed leg pockets, a storage pocket with a zipper, and a phone/radio pocket. The knees are pre-shaped and have knee protection pockets with our 3D system for comfortable work when kneeling.

TP 122
